

State Testing Regulations

State: Arizona

Assessment: AzM2 (grades 3-8, 10) AzSCI (grades 5,8, 11)

Applied for waiver: Requested waiver for science tests

Opt out process for parents: Not supported

Federal restrictions to opt out: State law does not permit.

Consequences of opt out:

Article from 2015 says parents who did keep their kids home so they wouldn't have to test, received letters saying their children were truant.

Changes in testing requirements: n/a
